Subject: Should we put this list of meetings or something like it up on our Bristol Bay website?
Attachments: Bristol Bay Public Meetings list.docx

Marianne, Tami, Judy:

Palmer suggested we might consider putting this or something like it up on our website to beef up our community involvement record. It would help us debunk myths about who we've met with and I could link to it from our tribal web feature.

Thoughts? My only suggestion might be to consider taking out the last column with all the attendees.

Tami, do you think there'd be any sensitivity to posting this? We're a public agency and our RA's schedule and Lisa Jackson's is regularly posted online as it is, so this would be another measure of transparency we can offer.
